

March 7. 82

Dear Father

I have arranged to  
send the box holding skins  
by this afternoon or tomorrow.  
I am not opened it, but should  
any damage have occurred  
I will be responsible. I assure.  
The Mountain sheep's head  
which is separate I wish to  
keep. It would probably be  
well to open the box at once  
& ascertain condition of  
contents.

I am sorry you asked  
Dawson to send the Illustrated

up here as I see all the  
papers at the Club, & have  
absolutely no use for it,  
while I thought it might  
interest you at home.

I fear I cannot come  
down next Sunday to  
Montreal.

Your aff. friend  
Serge
