Dear Father,

Do you happen to
know of anyone who could
take assistant duties in
Palaeontology. Salary very small
& no prospects to speak of.
Experienced man with plenty
work in his required? This
is only a private enquiry
so please say nothing about it to
any possible applicant.
Please tell Ma that I fear I
shall not be able to attend her
Party on Saturday.
Yours affectionately
George

Dear Mother,
I have just received your letter
of the 10th and was glad to hear
from you. I am well and hope
this finds you the same. I
am not at home at the present
time but will write you again
when I have a chance. I
am your affectionate son,
Serge
