Dear Father,

Lord Howe sent
a couple of yachts from the
S. Charlotte Islands one
yesterday, wishing to get them
out. As Mr. Gordon has
disappointed his opp. for the
summer it will probably
be better to have them done
under contract by Mr. Dick, if
he is still extant. Not
knowing Mr. Dick's address
I have sent the names by express &

you. Would you be so
 kind as to send them down
 to Dick with instructions to
 complete the job at once & return
 them here by express when
 practicable. He had better address
 them to Dr Selwyn & send
 him the bill also, as I may
 be gone. I am sorry to trouble
 you in the matter.

I hope I shall be in Umbagog
 in a day or two & I have for
 the most about Wednesday
 next

Your aff. servt. son
 George
