Dear Father,

Please tell Robbie

who my business is & how
that I have definitely decided not
to leave before next week. I had
seen of the new N.W. maps on
Sale here today, & send you
a few copies by express. The
General map of Johnson
~~and~~ is very good. There are
three copies of it. One intended
for you, one for William &
one for Bernard. The large
Scale map in yellow I intended
for Robbie, but if you would
like one please say so, & I

will put 7 in another way.

There is also an advance
copy of my Coal Maps, which
I am very late to see.

Yours truly

George M. Dawson
