

Serge

Rideau Club

Ottawa

19 May 83

Dear Father,

You will I suppose
be up here on Monday.
I dined at Col Dr Winters
a day or two ago, & he
told me that he had suggested
you should be at Rideau
in time for dinner.
I presume you will reach
here by the Canada
Atlantic morning train

2

I will wait lunch for
you here between one &
two o'clock, unless I
hear otherwise

Your affectionate Son

George
