My dear Papa

I feel very sorry
to be obliged to trouble
you when you have
so many things to
attend to. Any time
before the 26th will
do so please send of
our convenience.

Our fire insurance
is due, & we forfeit
the money we have
already paid, if we
do not pay it before
the 26th of this month.

Enclose a P.O. for \$7.
We have made payable

from Florence Dawson

Dym (J. F. Dawson),

I shall be so very
grateful Dym if you
can do this little
bit of business for us.

I received a long
letter fr. Hill yesterday
written on his way
East; they appeared
very comfortable in
camp, but were much
tormented by flies. &c.

Mamma sends
you her love, & thanks
you for yr letter enclosing
Lady Dufferin's. She
is now very busy far.

seeing she has a French
man to work with her,
Whom she finds very
difficult to make
her understand.

Mamma says also
she will write soon
but we have no par-
ticular news.

We are all very
well & happy.

With much love
to all. Dr. J. Charles.
