

14 August 1885 -
Hawittie. N. End. Vancouver I.

{ Dear Father,

we reached here last night
all well. After doing a few days
work round here I hope to go
round to Quatsino & shall then
return to the river waters.

I am at this moment just
away for work, but finding a
chance of sending a note
write to let you know that
I am well. Love to all

Yours
George
