My dear father

I got here quite

safely last night.

The enclosed letter from
Mr Barnett of Pincher

Creek refers to an

opening for a medical

man & I thought it

might possibly suit

Rankine. I fear however

2 SMS

that he is too far out of
the way to take advantage
of it in time & after
all it might not amount
to much. a doctor's
district in that little
ranching region would
probably be about
fifty miles square.
I will send down to
Gazette another copy for
labels & have three more
be sent up to you

as soon as possible.

About Charts of Atlantic Ocean published
by the Admiralty. — I find the latest
in the official Catalogue to be —

N. Atlantic Corrected to 1884	2 ^s 6 ^d
S " " " 1883	2 0

Both these should have Challenger's
work incorporated on them
