

SMD

GEOLOGICAL & NATURAL HISTORY SURVEY.

Alfred R. C. Selwyn, B.Sc., F.R.S., Director.

MUSEUM & OFFICE, SUSSEX ST. OTTAWA.

30 April 1886

My dear Father,

about our Swabey.
I fear it will be impossible
to do anything for him, but
should anything turn up I
will let him know. Senator
Carroll spoke to me about
him, but I had to give him
the same answer. Should
we get some more survey in
the supplementary estimates
it is just possible that work

may be paid for one or two
 weeks, but even if to the
 only destination I think I can
 make would be would be
 to take such as volunteers to
 for no expenses & without pay.
 I have not written to Swabey
 but thinking it worth while
 under the circumstances, but
 if you see him you might
 verbally give him the above
 information.

What is Wether's address?

Yours

Gayle
