My dear Father,

Since you
left I have been told
that Mr Dalton McCarthy
M.P. was anxious to
see you to know whether
you would take part
in a meeting of the Superior
Federation League in Toronto
some time next month.
I suppose you would

scarcely like to take
time to do so, though
the object is doubtless a
good one if you could.

I write about it now as

I am told Mr McCarthy
intends writing to you

on the same matter. It is
not a political issue or
one in which it might be
injurious to Collyer's interests
to be concerned

Yours
Gurje
