My dear Foster,

I have to thank you for your
notes on Van Wier's fossils. Also for
the pamphlet on Blackiston's work in
Rocky Mountains. The letter appears to
be part of his official report published
in blue-book, verbatim. It must have
been read before Geog. Soc., & reprinted
in Selkman's work. If you do not
want the pamphlet I will keep it. Is it
para for?

Yours truly

George M. Dawson
