My dear Father,

I find there is a good copy of  
S. Greenland, which should be looked at  
in Sitzungsberichte der K. Acad. der  
Wissenschaften. Vienna Vol. LXVIII. 1873  
we have only two stray numbers of the publication.  
It may possibly be in the Nat. Hist. Soc. library  
as they receive a number of Continental publications.  
If so perhaps you could borrow it & I could  
see it when next I visit Montreal.  
I have an invitation to visit Home & discuss  
trough.

Yours  
George
