My dear Father,

The bound copy of Quarts
papers referred to by you in yours of
16 April has not reached me yet. Do let
me know & we will endeavour to get it as I
can only store it away.
About Chinook jargon words. By looking up
Gibbs vocabulary of Chinook published in one
of the Smithsonian 8^{to} volumes, I think
about 20 years ago, you will get all the
facts. Gibbs traces out the origin of each word
as far as he can. I cannot at the moment
give you the precise references, as the
library is closed, but you will find no
difficulty in finding the vocabulary.

Yours

Geoff

I hope to leave on Friday evening, having
now got nearly all preparations made.
