

George Grunsky
News. Some day when
father can spare time
I would be glad if he
will look out a copy of
my paper on glaciation
of B.C., also Supplementary
paper Additional notes
on gl. of B.C., note on
Recent changes of level
of Coast of B.C., Travelling
notes on Surface geology
of Pacific Coast or such
of these as he can find
& send them to Capt.
H. H. Loyd, Port Townsend
Washington Territory. over

Some of these papers are in
Father's library Cupboard
but what I think is
Cupboard under book shelves
in my bed room!
