Dear Sir William,

On looking over
the new Calendar last evening
I found that the Chemistry
Text-Book for the University
School Examinations had
not been changed. I am sorry
for this as there was a good
deal of growling about the
old book. Is there anything that
can be done in the matter?
I fear it is too late to get a

slip printed and inserted
as a large number of the
abridged calendars are already
in their wrappers. Perhaps
you can suggest some way
of remedying the difficulty.

I shall probably remain
here until Monday or Tuesday
next and then will return to
St Andrews. If everything goes
on well I think I shall be able
to leave for Inver by the end
of next week or the beginning of the
week following.

Hoping that you have had
a pleasant journey down and
with kindest remembrances to all
at home
Very sincerely yours
R. J. Warrington.

Harriet
