My dear Father,

I had quite
intended going down to
Wentworth tomorrow for
Sunday, but have unfortunately
got into an engagement
which will prevent us
from doing so. However
I hope for better luck
next week. Am very
glad to know by yours

We received this
 morning that Mother is
 so much better.

Nothing here especially to
 report at present.

I was unable to bring
 down some of my photos.

Best week

Yours

Henry
