My dear Foster,

I find I cannot get away
till tomorrow night, having to many
little things to look after.

I find two additional articles with
figures on tracks & pseudo-plants etc
which may interest you. They have just
come to the library & I have no doubt Dr
Selwyn would send you the books if
warrant of your care to refer to them at
any time. Enclosed are the references.
I appear to have totally lost my ^{series} bank
books but will write again before leaving
a fair result of further search.

Yours
Selwyn
