My dear Father,

I have written you about your said
about Matthews Collections & the publication
you mention (by him I suppose) in the Canadian
by Selwyn & Dr Selwyn. He seems to think that
such publication would be largely a repetition of
what has already been printed in R.S. Trans.,
but would I believe be ready to consider any
proposition made by Mr Matthews. Very possibly
Matthew may have already made some promise
to Wolcott or himself with to his ~~own~~ his
collections taken in hand by Wolcott, but if
not it would doubtless be advisable to him
to write to Dr Selwyn explaining what he
would offer or do

Yours

George
