MUSEUM AND OFFICE, SUSSEX STREET, OTTAWA.

June 2 1890

My dear Letter,

I arrived here in due  
course & shall be to conclude preparations  
for field in good time.  
Regarding the note which I said I would  
send you from here I add by P.S.  
paper - I find it is unnecessary to  
make the additions. There remains thus only  
the few notes, which I can send to  
you later, say on receipt of proof.

Yours  
Selwyn
