DEPUTY HEAD AND DIRECTOR,
MUSEUM AND OFFICES, SUSSEX STREET, OTTAWA.

Jan 27 1897

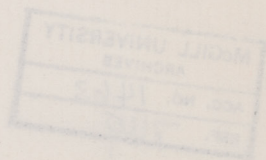

My dear Father,

Ulrich's letter returned enclosed.

We have not heard from him here. Mr. Whitman
is as usual very non-committal. That's well
of Ulrich's work but admits that he splits up
species very fine etc. For us it seems that a
collection of the kind would be an insignificant
& very special one, scarcely required in a
general museum.

I have accepted an invitation to deliver
a course of lectures in Montreal Feb 4 &
so hope to get down about then if not
before.

Yours
George
