My dear Father,

I am happy to
report that Section C. has
closed its labours & that
Tomorrow will practically
see the proceedings of the
B.G. closed. The meeting has
been a very satisfactory one
on the whole, with a large
proportion of really well known
& good people here. Many
from England in all lines
& a number of geological &
authorities whom I have met

from the U.S., including Burrows
 Sillert, Williams (Polcentist))
 Chamberlin, Claypole, Fairchild,
 Wm. Davis, Nissee, &c. &c.
 Present arrangement is that I
 leave for Friday for the Court,
 with a geological etc party, but
 possibly swing home for back
 to Ottawa tomorrow night &
 catch the party at North Bay
 & leave Ottawa Friday. I shall
 not do this unless absolutely
 necessary.

I hope that you are enjoying
 fine weather at Metis & that
 you are taking all the benefit
 you can from it, without
 attempting to exert yourself
 beyond your strength.
 Kind regards & all - Yours
 Frost.
