My dear Father,

Enclosed is  
your "promise to pay"  
which I have looked up  
& now return to you  
for destruction, having  
safely received the Cheque  
you sent the other day.  
This should have been  
returned or changed  
before when you paid the  
first \$500 but was in

Some may overlooked.

I have been very busy  
all this week, largely  
with interruptions, but  
hope that matters will  
slack off a little now  
after a couple of the parties  
let off.

I trust that you continue  
to improve, although I  
suppose that the relapse to  
colder weather has prevented  
you from getting so much  
air.

I have not seen W. or Florence  
for some time, but must try to  
look him up & have a chat today  
or tomorrow

Yours

George.
