My dear Father,

The Copies of
your paper duly arrived
& have been distributed
as follows. Whitores,
Lambe, McConnell, Weston,
Squell. I still have two.
The illustrations I think
look very well & are
much better than those
formerly produced. I must

try to visit Montreal
on Saturday but cannot be
sure of it yet as something
may turn up to prevent.
Every thing goes on here much
as usual.

Yours
George.
