

George  
March 16.

Dear Father,

I am sorry to hear  
that the skins are so  
much damaged. From  
what you say I should  
suppose it scarcely worth while  
setting up the mt. sheep as  
the expense would be more than  
it is worth.

I saw Mr. Olcott last  
evening, & told him you  
wanted to see him if in  
Montreal. He seemed to  
think he would be in Montreal

On Monday. I suggested  
 to him that he might write &  
 let you know when he had  
 some certainty about his  
 movements, which he may  
 possibly do.

Your obedient son

Scoville
