

Serge able son

Dear Father,

Would you kindly
tell me if you know
anything about Mr Low
whether he would make
a good helper in the field. I
suppose he knows enough,
but what I ~~shall~~ want is
a man who with a years
training as the plain country
would be able to work
independently of towards if
necessary. I know of the
personally about Low, but

Should ~~you~~ fear he might
 perhaps be a little slow
 & dogged, though ~~the~~
 appearance may be
 deceptive.

Yours
 George
