Dearest William

Just add a sort of  
postscript to letter written to Luce  
yesterday to acknowledge your  
Registered letter with enclosure,  
also one you enclosed from  
Perry. Also thank Luce per  
one from her, all these I hope  
to answer in time, but it is now  
half past four A.M. with a beautiful  
sunrise. & as I have been sitting  
up all night with the sick or  
rather dying baby at the hotel  
I am just going to bed with  
the intention of sleeping late &  
write to have letter ready for mail  
Yours lovingly  
Margaret
