

Why not have a letter waiting for Mr
Rupperts at Rimouski saying that you are
awaiting his arrival to take a short respite to
ask him to give you the earliest audience or
why sh^d not go ^{letter etc} meet him at Rimouski
as Quebec & return with him, taking the opportunity
for a long quiet talk & at the same time take in fresh
air & a sense of rest. Do consider this. I do gratify me by
once taking any suggestion

Wednesday my P.S.

would not: "This card to be presented
at the door" he better to be in another
larger type? Another very warm
day with a creamy looking atmosphere
