My dear Father.

Your letters have  
all been received & I  
feel very guilty in not  
having written in return,  
but have entrusted  
this entirely to Mother, as  
besides attend I lectures  
& visiting all N.Y. hospitals  
I have been giving a  
good deal time showing  
Mother the city.

Shall write however  
soon with particulars  
of what I think N.Y. good  
for in medical way.

Mother still intend  
to leave tomorrow at  
8.30 p.m. & arrive  
Mont<sup>e</sup> 11 o'clock

Friday morning. Think  
myself rather pity for her  
to go so soon

Yours R.D.
