Dear Margaret

My Father and Mother bid  
me say, that, we will be most happy to see you; Miss  
Matthew, & Miss Murray, next week, to spend a day with  
us. Could you make it convenient to come on, Wednesday  
day, or Thursday. If your Father could accomplish it; we  
would be most happy of his company also. Write me!  
Mentioning what day you have fixed on, and the road  
you intend coming by; and I will meet you - we will  
expect you, early in the forenoon -

My sister Harriet will not be home until October; Miss  
Miss Gardner, wish her to make up, what time she last  
during the summer. Give my Complts. to all friends in

Galashields. it would fill the letter were I to enumerate  
them, so you must excuse me - Expecting both to hear  
from you & see you soon,

I remain

Yours truly

David Mackenzie

P.S. Although I have mentioned Wednesday or Thursday  
you need not be guided by that: choose what day suits  
you, & let me know. Barn this - at least let no one  
see it, and you will oblige ~~me~~ <sup>the</sup> humble cum tumble -

DM.
