

Dear Miss Brewer

I have your esteemed favor
of y^e day - from its tenor
I presume something in my former
letters must have given you offence
- but being in the habit of
retaining copies of such documents,
I ~~do not~~ ^{remember} not what, or how I
wrote. but I am sure nothing
could have been farther from my
thoughts, than to say any thing in
the smallest degree improper

if this has been done, I hope
you will believe me when I
say, it was altogether uninten-
-tional, In reference to the
concluding part of your letter.
Be assured, that no one ever
had, or ever will have just
occasion to say, "that they
have been exposed to censure
by keeping a correspondence with
me."

With best resp^s to
all the Members of your family

Yours

Respectfully

Wm. Smith
