My dear Mrs. Dawson,

We have had the pleasure  
to see your friend Mr. Clevor,  
and as I understand he is  
about to return to Boston,  
I gladly avail myself of  
the opportunity to offer you  
and Mr. Dawson my kind re-  
gards. Mr. Bell has just had  
your letter from Halifax, and  
it gives us pleasure to see

that you are enjoying the  
Change of scene, and the  
coteem in which Mr Dawson  
is held, which must add  
to your comfort and happiness,

We have had most Change  
- the weather, as usual in our  
Climate, and some of us have  
been affected by it, but are  
all well again, and my  
dear Nephew & Niece with all  
Children are in comfortable

health. I leave to Mrs Beecher  
to give you all Family News,  
being only desirous to keep  
up the remembrance.  
and affectionate regard, with  
which I am,  
Sincerely yours  
Otho Matthews,

Give my kind compliments  
to Mr & Mrs Dawson. Hope

little boy on your return to  
Pictou.
