Dearest Margaret

I received

Your letter today and
read it I can assure
you with very great
pleasure. Many things
in it are quite cheering,
especially your health
and your walk and
good spirits - Dear
Margaret I hope
that God may grant
me the pleasure of

McGILL UNIVERSITY
MONTREAL
REF. 100
LETTERS FROM YOU BEFORE
MY RETURN.

You will hear
of our meeting here
in the papers. I
have no time to write.

It was just well
enough. No more
though I hope it
will do good. I got
the teachers to meet
on the evening and
formed an association

among them which I
think will be useful
I lecture tonight in
Dartmouth.

I shall arrange
about John M. P.
and think he will
be of great use.

I enclose you
£5 which you may
need and I can
well spare. Should
you need more money

Please inform me

I am sorry to send
you such a small
letter but I am

just getting all my
affairs pushed up

here and have
little time. You must
not however judge of

my thoughts of you
by my short letter. With
all good wishes to you
and dear George
