Dear Margaret,

Just arrived
here, and find a
chance to send
a note to Furo
to catch the
Sunday morning
mail. I am
quite well and

have had de-
lightful weather,
though now
getting rather
warm.

I spend Sabbath
here, and on
Monday go on
to my place of meet-
ing, near the head
of Kemetcook R.

On Wednesday
I hope to be at
Kelms on the
Halifax Road,
(near the mouth of
Nine mile R) and
perhaps may be
in time to send
a note by Thursday
mail. If not, do
not be anxious

as it quite possible
that visiting school
may detain me
too late, ten
days more, dearest
Margaret, and I
may hope again to
see you. A happy
Sabbath to you and
all blessings to the
dear children.

Ever yours
William
