Dearest Margaret,

There was a mis-
take in the telegraph, com-
munication as you received
it. I said Tuesday
next, intending to leave
on Tuesday evening.
Not Thursday as you
seem to have understood.

I send to day my
carpet bag and a parcel
with dirty clothes which
I shall not need and

a box of books for
George, and some
sugar & Indigo, which
cost 3/. I have bought
a cut of good sugar
to be sent round by
post vessel.

The soda was sent
from Halifax long ago
by the Actae, Capt Currie,
along with some parcels
for Mr R Dawson, from

Harringtons grocery. Ask
them if they received
their parcels, and
if they saw anything
of the soda, as it
may perhaps have been
directed to them by mis-
take. If not, they tell
me, put up in a
box.

It is quite likely
that after my meeting
in Musquodhuon. on

Saturday 28th June, I may
have to return to Halifax
instead of coming direct to
Pictou by the Middle R.,
as I had planned. They
talk of having a meeting
or experiment here on
Tuesday July 1, and I
ought to be present. In
that case I shall be
home on Wednesday July 2
or Thursday July 3 by coach
or mail. May you have a
happy and pleasant Sabbath
and may all blessings attend you
I am your own
William
