Dear Margaret

I close this budget  
of despatches at Mr  
Crow's office, merely to  
say that Mrs. Mr. Crow  
are absent in Wales  
but left a letter very  
kindly inviting us to  
stay some days when  
we return this way.

I find also a  
letter from Alfred Pimrose  
to say that they are all  
at Warrington and  
will leave for Berlin  
Aug 1st. — so I shall go  
on from London & return  
in time to join them.

We are quite well, &  
leave for London to-day.  
Yours truly  
William
