

Sir
"William Shropshire"

Steamer Vermont

Dearest Margaret

9 PM

We have got ourselves
safely demasted in the
channel. The evening very
fine & a beautiful sky
with golden clouds and
fine cool air on
the river. Mr. Chamberlain
and Miss & Prof. Wilson
this evening are staying
and fellow voyagers.
We hope to have a
pleasant & clear night
I cannot think of any

They forget except that
I feel a little for not
having said a kind
word to Lina before
leaving. Please do so
for me,
Quebec.

Saty 8 a m. Safely
arrived here, and
to breakfast on
the steamer and
so on board the
Juno at

Half past 8, The
morning is very
fine.

With all love
from self and George
and many good
wishes

Yours affectionately
