13th May

My dear Mrs. Dawson

I am sorry I missed you
about Col. Saffair's Lecture
w^{ch} is to be on Monday (not
brought as told you) but
only found it out late got
after as Col. Cheaney, the
only one of our Officers who
belongs to the United Service
Inst^{tt}. has been away.

He will send you tickets
tomorrow. & as several others
have been lecturing on the
same subject in town,
he fears C.R. Laffan will
not have much of an audience
He is trying to get him one,
So you see it is no favor

getting tickets -

Hope you & Misses
Lawson are not over-fa-
-tiring yourselves in town,

if you are, or must come
down here for rest -

Rebade with tone

less for aspect
