Dear Mr Dawson

Thank you
very much - for your
& D. Dawson's photograph.
I only regret, that the
album is too large for my
book of celebrities. To cut
it round, seems too dreadful!
Thank you too for the
beautiful leaves. Your
Autumnal foliage must
indeed be brilliant,
& the paintings of Canadian
leaves, by no means

exaggerated in coloring,
as I used to fancy
was the case &
With very kind regards
to yourself & J. Dawson,
believe me

Yours sincerely,
Glorietta Husley.
