Both Emily & the children
were sick for some time

settled & feared you
must have left Hudson
but I always hoped to
hear from you at
my own address & they
then found me & now
I wish you had come
to be here for some
time though where you
are I have no doubt

place for Gary than

Now for how to have had you all down
then also Dr Denton's been you & with
As you intend sailing No doubt for the
13th of October Wednesday Dr. Dr Denton's
They know things the other side
So do nothing to hinder you any other
