My dear Mrs Dawson

It gave me
much pleasure to receive
your kind note
yesterday morning &
to know that you
had not forgotten
me, on my return
from Callander I
was ^{at} Gorge Square for
a few days & was

enquiring about you
& felt so sorry you
were not at Gilmore
Place as I was so
anxious to see you,
I cannot say when
we may return but
probably about the
end of next week.
I trust you have
enjoyed your visit
you must know
many changes your

sisters being all much
as you left them.
must be a great
happiness to you —
We are enjoying
ourselves very much
we have had nice
excursions in the
neighbourhood. Yesterday
we drove to Warrater,
twenty miles from
here sailed up the
Lake & returned in
the evening rather a

long journey in such
warm weather, Mrs
Scott has never been
here before so she is
enjoying it very much
she is looking forward
with much pleasure
to seeing you. She
joins me in kindest
love to you &

Believe me
your affectionate friend
Mary Loran
