My dear Madam  
 I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the purchase of a pair of shoes for your daughter. I do not  
 wish to see her unhappy. She has  
 been so long in the hospital  
 and I am sure she will be  
 very glad to see you. I will  
 be glad to see you and your  
 daughter. I will be glad to see  
 you and your daughter. I will be  
 glad to see you and your daughter.

They have a long & happy  
life and good blessing  
on their minds. You are  
fortunate in having her  
settled so near you. So many  
Parents are called on to part  
with their daughters for many  
years, if not for ever.

We have been in London  
since last Sept. My husband  
has business that detains  
him here. I cannot say  
I should like to live in  
London the rest of my life

There certainly is a great deal  
to interest - but the excitement  
rush and turmoil of a large  
city is not according to my  
taste. I like to live in a quiet  
quiet atmosphere - We  
hope to go to the sea side  
for the childrens holidays  
They are getting so nicely  
at school they are at the  
Boarding school at Tenby  
Wells with a dear Christian  
Lady - who is very  
dearly - I am so glad to have  
them home for two months

My son came to England  
last year. he was suffering  
from his heart. palpitations.  
he is better. but will always  
have to take care of himself  
and avoid violent exercise.  
Hope Eva is well and im-  
proving to y. satisfaction  
in her Education. I think  
the girls at Miss Simmons's  
School. were intelligently  
taught. Here Languages &  
accomplishments are most  
prominent in which all  
English girls excel  
you have no idea how bold  
the Romanists are getting

in England. No believe  
the English Church is full  
of Jews. Last Sunday  
I heard a sermon on the  
establishment. There are  
a goodly number of true  
Christians here. But their  
Churches are comparatively  
empty. The Methodists is the  
a high Ritualist. I often go to  
hear a Mr. Topham a Presbyterian,  
a converted Jew. he is very  
eloquent and expounds  
the Scriptures so well and  
so faithfully. A few Sundays  
past - my husband & I went

to hear a Mr. Lincoln he is  
one of the ~~best~~ Bettermen I  
have seen you have been an  
a writer. I have his books  
The Hebrews & St. Pauls epistles  
I have been to hear Spurgeon,  
Donald Grass & J. Cuming  
but my favorite preachers  
are Mr. Laphin, & a Mr. Moore  
an English Minister. an excellent  
man. he is a disciple and  
a good true Christian man  
Mr. Laphin is quite the Hebrew  
in appearance. I always fancy  
him listening to St. Paul. I  
London is a wonderful place  
there is a great deal of good done  
but it needs it all. For there is

a great deal of evil. Every  
Sunday you hear a great many  
good men preaching in the  
Park and streets. They generally  
have large audiences. Most  
require wages. I am sure  
they must have a blessing  
on their work.  
I have not yet seen the Bazaar  
present. But I hear they  
are very magnificent and  
my family have seen  
them. Mr & Mrs Taylor have  
left London for the Continent  
they went to Brussels then  
up the Rhine and on to  
Hottelund where they join  
their son and his wife  
they return here in Sept.

Soudon does not agree with  
Mr. Taylor she has looked  
very ill what has been - but  
is now quite well. There have  
been great changes in Montreal  
since we left. And all the  
accounts we get from Canada  
are so bad. in Soudon it is  
the same - great complaints  
here they say there are 1000  
concentrated out of place - greatly  
owing to Genl's bonds failing  
early on the completion of  
bad times. We confidently  
see Dr. Macdonald (mean  
Dick Macdonald.) he appears to  
be studying hard. he is much  
improved. I have seen Mrs  
Bremmner too - & Mr. Bentie
