

Mr Wilson

London March
14th 18.

My very dear friend Acc. 976

I send you a few of the flowers I told you about. that you may see what can be made of. even goose feathers. mixed with a little green they look very well.

The toilet Mats are for my dear friend Mrs Ross with your give her them with very much love from me. I like to recall her dear sunny face -

We have been thinking much of dear Anne & you baby

I do trust that the worst of
the trouble was the fright I
gave to his poor Mother.

Many thanks for your nice long
letter every thing connected
with you & yours is interesting
to me. It is such a pleasure
to look back upon my de-
lightful visit to you. All
my friends congratulate me
on my improved appearance
My Cap has also earned
her a share of admiration
And I may add to piece
George that what you will say
I have no right to complain
of. How I? -

I've heard of one little darling
boy yesterday. He is with his

Laska at. Brighton He
has a very good kind
knese that we agree that
the child is so winning &
sweet in his ways that
every one seems to love the
the dear wee man. And we
do feel that one loving father
will take care of him. &
we do trust even in the
dark night:

Just I ask you to send
the enclosed little parcel
to Mrs Major: it is the
much sweetest blue china
cup I promised to send
her. I am very to give you
the trouble of sending it.

But I do not know how to
get a seat to her. in any
other way. and I know you
will not think it a trouble.

I have been thinking how
nice it would be if you
would come this evening
with Mr George when
he starts upon his summer
walk. -? think about it? It
would be so nice to see
him so far upon his journey
and would be such a pleasure
to all of us. Do have you got it
with us - -

With love so much love
to yourself & all the
dear ones

Your affectionate
friend
M. Helen
