We

May 7.

have

just passed Battle

Mountain, a typi-

cal Western town. Every

second shop a saloon

& there are between

selling liquors as well

as other things. The

variety of peoples &

nations here is very

curious. Chinamen,

negroes, indians &

whites are the most

marked distinctions

Other finer grade are

unnecessary to go

into. As we are  
just passing the train  
going E.
