We left Hamilton
Kingston last Friday evening
night a little
before midnight & Today
have had a ~~most~~ enjoy-
able sail up Lake Ontario
The weather is & has been
delightful, fare good,
some passengers whom
we shipped at Kingston
pleasant company -
Anna I suppose has left
you. I hope now you
will get a little quiet
enjoyment out of Methu,
where you have hitherto
had so little but slavery
Ever yours
R.
