

Dear Mrs. Dawson,

Many thanks
for your kind enqui-
ries for me yesterday
I am very much
better - but took a
severe cold;

If I am well
enough on the

Evening of the
Banquet - I shall
enjoy very much
hearing the speeches.
I will join your
party - should I
not be able - I will
let you know early
that day -
As my son Willie

Making an address
that night, he says
it will be impossible
for him to speak
before so many.
What would
your husband
think of me asking
Judge Day, he
being one of the

Connection and
having always
known it previously
what do you think
if he does not affirm
I will be quite
content he may have
with very kind
regards I am,

Yours sincerely
