My dear Mother,

I have just opened  
the parcel of Mosquito  
nets &c which Robbie brought  
up, & have to thank her for  
them. They seem all very  
good. Would you kindly  
let me know what they  
cost, the mosquito nets  
separately from the black  
cloth, which latter I will  
charge to exploration acct.

I did not see my buffalo  
 robe when unluckily they  
 in the attic. I wear the  
 old soft thin robe, not the  
 large one with tail attached.  
 If the price can be found  
 I should be glad to have it  
 sent up by express addressed  
 Genl. Survey. The letter I  
 do not want as it is  
 altogether too big & clumsy for  
 a wrap.

Your affectionate son

George
