Dear Mr^s Dawson,

I received the enclosed letter, Dr^s Dawson forwarded yesterday.

As you see by the heading we have arrived safely in Winnipeg after a most pleasant journey. We got here at 6.15 a.m. yesterday.

I am not going to have the pleasure of travelling with George's party after all.

The manager & secretary of the ranche are still at Regina & I am going out with them. We had no trouble with

The baggage as regards
customs as George had a
letter from the Minister
of Customs telling the officer
to pass our things without
examination.

I won't describe Winnipeg
to you as I am sure you
have after had it described
before, but the weather
here is perfect, couldn't be
nicer.

I start for Regina tomorrow
morning, & will go right through
without stopping.

I read the book you so
kindly gave me, & found
it very interesting &
I will write from the bank
telling you all about it, as
soon after I get there as
I can.

I have seen most of Wintps.
I like it very much.

I am going to leave my trunks
here & am only taking a kit-
sack at present.

Give my kindest regards
to Dr Dawson, Eva, William
& all enquiring friends.

Thanking you again for all
your kindness to me; which
I will never forget, I remain
your loving friend

Robert D. Rudoff.

Please thank Eva for the
lunch she put in my bag;
which I found very acceptable
