November 7th

My dear Mr. Dawson

My Sister, Miss Gordon
takes this note and our
Caros & now Mr Carpenter's
House - as I am unfortunately
kept in bed by a slight
Attack of Rheumatism -

We hope you may be

for us & go to. - Also
my husband finds he
has to be in Swansea
on the 18th. - I remain
till Tuesday - on ~~Wednesday~~
the 21st he gives his
address at the "Society
of Arts" - and on ~~Thursday~~
he comes down

to Sherman to take a
Friday, - which will be
a more enjoyable one
if we can persuade you
all to come to us that
day the 22nd. —

I hope for a favorable
reply to both my petitions
I am, Sincerely yours
Anne Siemsen
