Dear Mr Dawson

With your allow<sup>ance</sup>  
me to introduce to  
you a very old friend  
of ours, Mr Morris  
Beaufort, son of the  
late Admiral Beaufort  
Hydrographer to the  
Admiralty.

Mr Beaufort is just  
leaving London to  
attend the meeting

of the British  
Association in  
Montreal, and he  
proposes making  
a tour through  
Canada when  
the meeting is over  
and is anxious  
to obtain good  
information as to the  
best parts of the  
Country to visit.

I am sure no one  
can give him better  
advice than yourselves  
and we shall be  
very much obliged  
if you will help  
him to form an  
favourable opinion  
of Canada.

Hoping you are  
all very well and  
that you had a  
pleasant journey

home, and with  
very kind regards  
to you all from  
my sister D' Rae and  
myself.

Believe me dear  
Mr Dawson

Yours very sincerely  
Kate Rae
