2 June 85.

My dear brother,

I went on
Saturday as per request
to get a photograph taken,
with result so bad that
I went again today
& underwent further, of
which I have not yet
seen proofs. Have
asked Foply to send
a couple of the best in
painted shape to you

as soon as ready. When
 you have decided which
 you like write to him
 & he will print & send
 you two dozen, which
 I have paid for. (Receipt
 enclosed)

Miss Redpath was here
 yesterday & was so kind as
 to call at office for a
 moment. You might send
 her one of the photos with
 my compliments, when they
 arrive. Also one to
 Ella, & to Mrs Carpenter

of the course to be it,
 a glance to Anna
 Florence etc of etc
 want them.

I think Father's scheme of
 getting a portrait of you
 painted is an excellent
 one, & wish to share the
 expense with him. Either
 that or he must bear
 one of himself done to
 watch & let me pay

4

the whole copy that one.

Yours

George
